

# Hillsboro Water Polo Student Athlete Contract

- I will conduct myself in a manner that reflects my family, my school, and my teammates in the best possible light in all activities affiliated with Hillsboro Water Polo.
- I will adhere to all rules of conduct as outlined in the Hillsboro High School Athletic Participation handbook regarding the use and/or possession of drugs and alcohol, attendance at school and academic eligibility. I will take it upon myself to address such matters with my coaches and parents should an infraction occur.
- I will be in the water on time at each practice and prepared to participate which includes having my suit, goggles, towel and any other equipment necessary. "On time" means dressed and ready to participate in any scheduled activity.
- I will attend all practices and games and when an excused absence is necessary, I will personally contact the appropriate coach to notify him/her of my absence. I understand that an unexcused absence will result in sitting out all or a portion of the next scheduled game and if that should occur, could hinder the result of the game. Excessive excused absences will also result in sitting out all or a portion of the next scheduled game.
- I will help in the set up and take down of all equipment on game day and when necessary in practice.
- I understand that after each game I must turn in the Hillsboro water polo caps and that I am personally responsible for the full replacement value of the cap should my number turn up missing.
- In the event that I cause a brutality ejection in any officiated game over the course of the season (including non-league and tournament games) I understand that my actions carry a penalty of a one game suspension and a fine, enforced by the Oregon High School Water Polo Committee. I am responsible for payment of the fine. Failure to pay the fine in a timely manner will result in my team having to forfeit all game results played after the date of the infraction.

I understand all of the expectations and agree to follow them.
